Hi Tom,

Please see the acceptability letter for the new container program for the following products: 1021-1688, 1021-1795, 1021-1803, 1021-1807. I have worked very closely with Karen Larson of Clarke with many of these submissions, but have not included her here because she is not with MGK. Please consider looping her in if its possible per MGK policy.

Many thanks,  
Jackie
